

Large Unit Truck 1993 Scania 113M

Dimensions

4.1m height

2.5m width

10m length

22,000kg GVM

Registration XV71EK

Purpose built, the **Red Fox Truck** will cater for a cast and crew of 100. The very best in quality gear, design and functionality make this the best in its class. It can be plugged into mains power or supply the full unit and catering via the on-board generator, with the very latest technology. The truck has a 000K tailgate and can tow toilets, water tanks and larger 'trailer mounted' generators.

Unit Truck replacement cost - \$65,000
