

## **5 Station Make-Up Truck 2004 HINO GD LWB**

### **Dimensions**

4.0m height

2.5m width

12m length

22,000kg GVM

**Registration XV52UW**

Our XL 5 Station Make-up Truck is the largest bodied example in Australia, fitted to a custom stretched Hino Chassis, it has a huge presence with an abundance of storage and space. The very best quality fit out, with a custom interior designed by some of our country's most prominent and well-respected make-up designers and artists. Its functionality and first-class state of the art finish make this the best in its class.

### **Inclusions**

Individual make-up station power circuits, surgery grade lighting with over station down lights for hair work, East-West hair wash facility, 5 x 3 colour code 6500 lumen LED mirrors with inbuilt bluetooth speakers, 10 x foldaway wig stands, classic sportsman barber chairs, slide out appliance benches, fridge/freezer, washing machine/dryer, microwave, dual split A/C system, huge fresh and grey water tanks, 10,000kg stabilisers on airbag suspension.

The convenient entry staircase with safety rail is quick and easy to use with glass sliding concertina door for additional privacy and simple, safe entry. Extra storage boxes for leveling blocks and strategically positioned water pump/hot water service makes for easy fault finding and repairs.

Nothing spared, no corners cut. Simply the best.
